### PLAY, LEARN AND EXPLORE

Snorkeling, projects to help the restoration of our paradisiac coral reef and unforgettable adventures to discover the secrets of our island and the wonders of Maldivian nature. Workshops, games in beaches and treasure hunts that will allow them to get to know and explore the Maagau island. Like the lessons with marine biologists that will lead them to the discovery of the marine environment.

Your beloved children will have the chance to experience incredible activities and to live wonderful moments: our team will take care of them.

## CREATIVITY LABORATORIES

An opportunity for your children to give space to their talent. Your little ones will have the opportunity to study the use of colors through drawing, discover the little secrets of science, build coral wind bells, sand castles or whatever they dream of. An occasion for the little ones to unfold their creativity and to live freely their imagination.

### DANCE AND MOVE TO THE RHYTHM OF MUSIC

A play area on the island immersed in the green of the Resort, where the little ones can have fun together with our entertainers. There are many outdoor activities designed for them: they can dance like they never danced before practising the Zumba dance and aqua aerobics classes. They can do gardening and enjoy yoga lessons or they can just have fun time at pool!
